Ministry of Finance

Supplementary Estimates

Fiscal Year Ending March 31, 2005

Introduction to the Supplementary Estimates

Each year the government presents a budget to the Legislative Assembly. The budget includes the Main Estimates which, in conjunction with Supply Acts passed by the Legislature, provide government with authority (voted appropriations) to spend money from the Consolidated Revenue Fund.

If spending from voted appropriations is forecast to exceed that set out in the Main Estimates, Supplementary Estimates and another Supply Bill may be presented to the Legislative Assembly.

Where Supplementary Estimates increase the funding for purposes included in a vote description in the Main Estimates, that vote description is incorporated into the Supplementary Estimates.

Where Supplementary Estimates provide funding for purposes that are not included in the vote descriptions of the Main Estimates, new vote descriptions are provided in the Supplementary Estimates.

These Supplementary Estimates are to provide funding from the Consolidated Revenue Fund in the amount of \$147,986,000 for operating expenses as set out in the Schedule of Consolidated Revenue Fund Expenses to be Voted (page 5).

These Supplementary Estimates reflect the new federal funding for health care of \$130,961,000 from the First Ministers' Accord on Health Care Renewal announced on January 30, 2004 and \$17,025,000 from the new 2004 Public Health and Immunization Trust announced March 23, 2004.

MINISTRY OF HEALTH SERVICES

The mission of the Ministry of Health Services is to guide and enhance the province's health services to ensure British Columbians are supported in their efforts to maintain and improve their health. The top priorities are renewing public health care while providing high quality public health care services that meet patients' most essential needs.

¹ The Estimated Statement of Operations discloses budgeted amounts for revenues and expenses of the government reporting entity on a functional basis. The statement fully consolidates the taxpayer-supported Crown corporations/agencies, SUCH sector and regional authorities with the Consolidated Revenue Fund. This results in revenues and expenses of the taxpayer-supported Crown corporations/agencies, SUCH sector and regional authorities being added to those of the Consolidated Revenue Fund.

² In order to comply with generally accepted accounting principles, interest expense is reported gross of sinking fund earnings, which are now reported as revenue.

³ These Supplementary Estimates reflect the new federal funding for health care of \$130,961,000 from the First Ministers' Accord on Health Care Renewal announced on January 30, 2004 and \$17,025,000 from the new 2004 Public Health and Immunization Trust announced March 23, 2004.

SUMMARY OF MINISTERIAL ACCOUNTABILITY FOR OPERATING EXPENSES

(for the Fiscal Year Ending March 31, 2005)

(\$000)

For each minister (other than the Minister of Provincial Revenue) with responsibility for operating expenses accounted for in the Consolidated Revenue Fund, an estimated amount must be made public with the Estimates under section 6(1) of the *Balanced Budget and Ministerial Accountability Act*. The estimated amount is described in section 5(1) of the *Balanced Budget and Ministerial Accountability Act* and represents the operating expenses which are the responsibility of the minister as set out in the main Estimates for the fiscal year. Section 6(2) of the *Balanced Budget and Ministerial Accountability Act* requires that the actual amount of those operating expenses be made public for each minister with the Public Accounts for that fiscal year.

Section 5(2) of the *Balanced Budget and Ministerial Accountability Act* applies to the Minister of Provincial Revenue and provides for an amount of revenue to be specified by regulation of Treasury Board. Section 5(3) of the *Balanced Budget and Ministerial Accountability Act* applies to ministers of state, for whom expected results are specified by Treasury Board regulation.

The table below shows, the ministry and other appropriations for which each minister is responsible. The third column shows the total operating expenses for each of the ministries or other appropriations for the 2004/05 fiscal year. The final column shows the sum of these operating expenses, which is the estimated amount each minister (other than the Minister of Provincial Revenue) is responsible for under section 5(1) of the *Balanced Budget and Ministerial Accountability Act* for the 2004/05 fiscal year.

Minister Responsible	Ministry and Other Appropriations	2004/05 Total Operating Expenses (Net)	Supplementary Estimates	2004/05 Revised Estimated Amount
