Acknowledgements

BC Parks staff has prepared this management plan with assistance from a Francis Point advisory group, the McQuarrie family, The Nature Trust of British Columbia, and the Nature Conservancy of Canada. The planning process has been coordinated by Tom Bell, Senior Park Planner, BC Parks and by Marian Adair of Adair Consultants Ltd.

Staff of the Garibaldi/Sunshine Coast District and staff from BC Parks Headquarters provided useful comments and suggestions.

BC Parks would like to thank those who took the time to attend the public open house and make submissions or comments to assist in the development of this plan.

Executive Summary

This section contains a summary of the key information and actions from the plan and will be completed after further feedback from the public meeting of November 19, 2001.

¹ While key items are identified, it should be noted that the completion of all items is subject to funding and funding procedures. As such, items are prioritized and completed as funding permits. As well, all development within Provincial Parks is subject to the British Columbia Parks Division Impact Assessment Policy.
