**LEGEND:**

S/E – Indicates tenure has been queued for relocation primarily for environmental and/or social reasons.

ECON – Indicates tenure has been queued for relocation primarily for economic benefits for First Nations or communities at receiving end.

FFRC – Indicates that the Interagency Fish Farm Review Committee recommended the tenure for relocation on 26 June, 2001.

PARK – Indicates the tenure is being recommended for relocation primarily because it is within a provincial park.

LAKE – Indicates that the tenure is on a freshwater lake.
