2.0 ROBERTS BANK COMPENSATION

2.1 The VPA will pay compensation to the TFN in the sum of \$2,500,000.00 within 30 days of the Settlement Date, subject to any elections made by the TFN under the Memorandum of Agreement. As between Canada and VPA, subsection 59(1) of the *Port Authorities Management Regulations* applies to any action, claim, demand, liability, obligation, loss, damage, cost or expense in respect of this Agreement.

ARTICLE 3

3.0 SETTLEMENT OF LITIGATION

3.1 As of the Settlement Date, the Plaintiffs, and each of them, agree to forever release and discharge the Defendants and each of them and their respective past, present and future directors, officers, shareholders, affiliates, predecessor entities, insurers, employees, agents, successors and assigns (collectively the "Releasees") and each of the Releasees' respective executors, administrators, successors and assigns from all claims, proceedings, liabilities, obligations and costs, known or unknown and in law or in equity, which now or hereafter exist by reason of any events, acts or omissions prior to the execution of this Agreement which are the subject of the Litigation.

3.2 The Plaintiffs further agree to abandon the Litigation by filing a consent dismissal order. The Parties agree that the Litigation will be dismissed as if the Litigation had been decided on its merits and without costs to any of the Parties, and the Parties each hereby irrevocably authorize and instruct their respective

legal counsel to attend to the said dismissal of the Litigation without costs to any Party.

3.3 The Plaintiffs, and each of them, will not hereafter assert any action, cause of action, suit, claim or demand whatsoever, whether in law, in equity or otherwise, which the Plaintiffs and their respective heirs, descendants, legal representatives, successors and assigns may ever have had, may now have or may in the future have against the Releasees, with respect to:

- (a) the claims which are the subject of the Litigation;
- (b) the procedures resulting in the execution of this Agreement;
- (c) any errors or omissions in respect to the ratification of this Agreement by the TFN; and
- (d) the representations and warranties of the TFN under Articles 9 and 10 of this Agreement.

NO ADMISSION

3.4 The Parties acknowledge and agree that this Agreement, the consideration for this Agreement, the dismissal of the Litigation and anything else done pursuant to this Agreement are not admissions of any rights, direct or indirect fault, or liability by any of the Parties, and each Party expressly denies any fault or liability by it or those for whom it may at law be responsible.

NO FURTHER CLAIMS

3.5 The Plaintiffs, and each of them, agree that they will not make any further claim or take any further proceedings against any Person that might claim contribution or indemnity from any of the Defendants with respect to any claims which are the subject of the Litigation.

ARTICLE 4

4.0 ABORIGINAL RIGHTS/TITLE ACTION

4.1 The Parties acknowledge that a Writ in the Aboriginal Rights/Title Action has been filed but not served pending treaty negotiations between the TFN, Canada and BC. The TFN, Canada and BC acknowledge and agree that this Agreement shall not be relied upon by Canada or BC in treaty negotiations, nor impair or affect any future treaty settlement. All Parties acknowledge and agree that this Agreement shall not preclude the Plaintiffs from taking any position in the Aboriginal Rights/Title Action, except the Plaintiffs will not make any claims

in the Aboriginal Rights/Title Action, or any other legal action, in respect of the claims which are the subject of the Litigation.

4.2 The Plaintiffs hereby agree to discontinue the Aboriginal Rights/Title Action as against the VPA, BCR, BCTFA and BCFS, by consent, and without costs to any party. The Parties acknowledge and agree that discontinuance of the Aboriginal Rights/Title Action against those defendants shall not impair or affect the claims that may be made by the TFN against Canada and BC in the Aboriginal Rights/Title Action, except to the extent expressly referred to in section 4.1. The Parties acknowledge and confirm that this Agreement is intended to and does constitute a full and final release of all claims against the Defendants with respect to all of the claims which are the subject of the Litigation but does not constitute a release of the Defendants with respect to claims which are not the subject of the Litigation.

4.3 Any Party may disclose and utilize this Agreement, the Compensation and the Memorandum of Agreement in the Aboriginal Rights/Title Action or any other legal action in relation to an aboriginal rights or title claim over the area claimed by the TFN as its traditional territory.

4.4 This Agreement is not a treaty or lands claims agreement within the meaning of sections 25 and 35 of the *Constitution Act, 1982* and does not define, amend, recognize, affirm, deny or limit any existing rights or priorities afforded to aboriginal rights including title or treaty rights, other than as expressly provided in this Agreement.

4.5 The Parties acknowledge and confirm that nothing in this Agreement is intended to limit or prejudice the position that any Party may take on the existence or extent of any duty or duties of consultation and/or accommodation that may be owed by any of the Defendants to the TFN with respect to any claims which are not the subject of the Litigation. For clarity, the Parties acknowledge that consultation, accommodation and compensation with respect to the Roberts Bank Port Facility and the Roberts Bank Port Facility Expansion (in each case as defined in the Memorandum of Agreement) are dealt with in the Memorandum of Agreement.

ARTICLE 5

5.0 INDEMNITY

5.1 The Plaintiffs agree to save harmless and indemnify each of the Releasees, as the case may be, from any and all claims, proceedings, liabilities, damages, interest, costs (including legal fees and disbursements as between solicitor and

client), expenses and compensation of whatsoever kind (referred to collectively hereafter as any "Further Proceeding") incurred after the Settlement Date arising out of or in any way related to all present or future claims of the Plaintiffs, or any of them, with respect to claims which are the subject of the Litigation and from anything expressly settled, released or dismissed pursuant to this Agreement.

5.2 If the Plaintiffs, or any of them, commence, maintain, continue or assign any Further Proceeding against any other Person who claims contribution, indemnity or otherwise against the Releasees, or any of them, with respect to the claims which are the subject of the Litigation or to anything expressly settled, released or dismissed pursuant to this Agreement, the Plaintiffs agree to save harmless and indemnify each of the Releasees, as the case may be, from any Further Proceeding.

5.3 The Defendants, and each of them, will use all reasonable efforts to notify the Plaintiffs of any action, cause of action, suit, claim or demand referred to in sections 5.1 or 5.2 that is brought against each or any of them.

5.4 The Defendants will assume and control the defence and any negotiations relating to any action, cause of action, suit, claim or demand referred to in sections 5.1 or 5.2.

5.5 For clarity, the Plaintiffs' indemnity, as set out in this Article 5, applies with respect to any Further Proceeding by the Plaintiffs, or any of them with respect to claims which are the subject of the Litigation, but does not apply with respect to claims which are not the subject of the Litigation.

ARTICLE 6

6.0 MEMORANDUM OF AGREEMENT

6.1 This Agreement and the respective covenants, obligations, agreements, acknowledgements, releases, representations and warranties of the Parties herein are expressly conditional upon and subject to the TFN and the VPA ratifying the Memorandum of Agreement.

ARTICLE 7

7.0 TFN RATIFICATION

7.1 This Agreement and the respective covenants, obligations, agreements, acknowledgements, releases, representations and warranties of the Parties herein are expressly conditional upon and subject to TFN ratification of this Agreement.

7.2 The TFN shall provide written notice to the Defendants of ratification of this Agreement, and the Memorandum of Agreement, within 60 days of the execution date of this Agreement set out on page 1 of this Agreement.

7.3 For greater certainty, it is acknowledged that this Agreement will be ratified by the TFN if a majority of Electors who cast votes vote in favour of the Agreement at the ratification vote, except as set out in section 7.5.

7.4 All Parties except Canada will execute this Agreement subject only to: (a) the ratification of this Agreement by the TFN pursuant to this Article; and (b) the ratification by the VPA and the TFN of the Memorandum of Agreement pursuant to Article 6. Once the conditions are fulfilled to constitute a Settlement Date this Agreement is fully binding upon the Parties pursuant to its terms, with effect as of the Settlement Date, except that this Agreement shall not be binding on Canada, and shall not constitute a settlement of the Plaintiffs' claims against Canada, until the conditions of section 7.5 are fulfilled or waived.

7.5 Canada will execute this Agreement subject to those conditions set out section 7.4, except that, with respect to Canada, this Agreement will be ratified by the TFN if a majority of Electors vote in favour of the Agreement at the ratification vote. The requirements set out in this section 7.5 for ratification by a vote of the majority of the Electors is for the sole benefit of Canada and may be waived by Canada by notice to the TFN within 30 days of the Settlement Date, or such other time as the Parties may, in writing, agree. Once the conditions of this section 7.5 are fulfilled or waived by Canada, this Agreement is fully binding upon Canada and constitutes a settlement of the Plaintiffs' claims against Canada, in accordance with its terms, with effect as of the Settlement Date.

7.6 If the TFN do not ratify this Agreement and the Memorandum of Agreement and do not give notice pursuant to section 7.2 then, subject to further written agreement of all Parties, this Agreement and all covenants, obligations, agreements, acknowledgements, releases, representations and warranties are null and void.

ARTICLE 8

8.0 ADJOURNMENT OF THE LITIGATION

8.1 The Parties acknowledge that the Supreme Court of British Columbia has been advised in the Litigation that settlement discussions are underway and that all Parties have agreed that all case management dates and the trial date in the Litigation should be adjourned generally pending further advice to the Court from the Parties

ARTICLE 9

9.0 REPRESENTATION AND WARRANTIES

9.1 Each of the Parties hereby represents and warrants to the other Parties as follows:

- a) each Defendant represents and warrants to the Plaintiffs that the execution and delivery of this Agreement and all documents, instruments and agreements required to be executed and delivered by that Defendant pursuant to this Agreement, and the completion and performance of the transactions and obligations contemplated by, or contained in, this Agreement, have been duly authorized by all necessary corporate and other action on the part of that Defendant, and this Agreement has been duly executed and delivered by that Defendant and constitutes a legal, valid and binding obligation of that Defendant enforceable in accordance with its terms, except as may be limited by bankruptcy, insolvency, liquidation, reorganization, reconstruction and other similar laws of general application affecting the enforceability of remedies and rights of creditors and except that equitable remedies such as specific performance and injunction are in the discretion of a court. Nothing done by the Defendants under or in connection with this Agreement constitutes an acceptance or acknowledgement that the TFN has aboriginal rights and/or title;
- b) each Plaintiff represents and warrants to the Defendants that the execution and delivery of this Agreement and all documents, instruments and agreements required to be executed and delivered by the Plaintiffs pursuant to this Agreement, and the completion and performance of the transactions and obligations contemplated by, or contained in, this Agreement, have been duly authorized by all necessary corporate and other action on the part of the Plaintiffs, and this Agreement has been duly executed and delivered by the Plaintiffs and constitutes a legal, valid and binding obligation of the Plaintiffs, and each of them, enforceable in accordance with its terms, except as may be

limited by bankruptcy, insolvency, liquidation, reorganization, reconstruction and other similar laws of general application affecting the enforceability of remedies and rights of creditors and except that equitable remedies such as specific performance and injunction are in the discretion of a court;

- c) each of the Parties represent and warrant that they have read this Agreement and understand and agree with the terms herein. The Parties acknowledge that they have executed this Agreement voluntarily after receiving independent legal advice from their solicitors; and
- d) in addition, and not so as to limit the foregoing, the TFN represents and warrants that:
 - (i) it has retained independent legal counsel qualified to practice law in the Province of British Columbia to advise the Plaintiffs with regard to the Litigation up to and including the execution and implementation of the Agreement;
 - (ii) its legal counsel has fully explained the legal nature and effect of the Agreement, and the legal nature and effect of the implementation of the Agreement, to the Plaintiffs.

ARTICLE 10

10.0 FURTHER ASSURANCES

10.1 The Parties agree to do such things, execute such further documents and take such further measures as may be necessary to carry out and implement the terms, conditions, intent and meaning of this Agreement.

10.2 The TFN confirms that by the ratification vote it has authorized the present Council and succeeding Councils to act for and on behalf of the Plaintiffs, and any of their respective heirs, executors, administrators and assigns, to do such things, execute such further documents and take such further measures as may be necessary to carry out and implement the terms, conditions, intent and meaning of this Agreement.

11. TIME OF THE ESSENCE

Time shall be of the essence of this Agreement.

12. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement among the Parties, except for the TFN and VPA for which this Agreement and the Memorandum of Agreement constitute the entire agreement, pertaining to the transactions contemplated by this Agreement and such agreement supersedes all prior agreements, undertakings, negotiations, proposals and discussions, whether oral or written, of the Parties (including the document entitled "*Without Prejudice Proposal to Tsawwassen First Nation Regarding Settlement of Alleged Impacts Relating to the Roberts Bank Development and the Proposed Expansion*") and there are no warranties, representations, covenants, obligations or agreements between the Parties except as set forth in this Agreement, and except for the TFN and the VPA also in the Memorandum of Agreement.

For greater certainty the Parties agree that neither the transition of the Tsawwassen Reserve and certain Provincial Crown land to Tsawwassen Lands as provided in the Final Agreement (all as defined in the Memorandum of Agreement) nor the transition of the TFN under the *Indian Act* to the TFN under the Final Agreement shall constitute an assignment within the meaning of this Agreement.

14. INVALIDITY

Each of the provisions contained in this Agreement is distinct and severable and a determination of illegality, invalidity or unenforceability of any such provision or part hereof by a court of competent jurisdiction shall not affect the validity or enforceability of any other provision hereof, unless as a result of such determination this Agreement would fail in its essential purposes.

15. WAIVER AND AMENDMENT

Except as expressly provided in this Agreement, no amendment or waiver of it will be binding unless made in writing by the Party to be bound by such amendment or waiver. No waiver of any provision, or any portion of any

provision, of this Agreement will constitute a waiver of any other part of the provision or any other provision of this Agreement nor a continuing waiver unless otherwise expressly provided.

16. COUNTERPARTS

This Agreement may be executed in counterparts and each such counterpart will constitute an original document and such counterparts, taken together, will constitute one and the same instrument.

17. ENUREMENT

This Agreement will enure to the benefit of and will be binding upon the Parties and their respective successors and permitted assigns.
