## **Current Economic Trends**

The sub-prime mortgage crisis in the United States has put the state of the world economy and its financial institutions under increased scrutiny. This list includes recent books, reviews, economic reports and articles on current economic trends and their historical context. Many items focus on the situation in Canada and British Columbia.

# **LEGISLATIVE LIBRARY OF BRITISH COLUMBIA BACKGROUND PAPERS AND BRIEFS**

---

## **ABOUT THE PAPERS**

Staff of the Legislative Library prepare background papers, briefs and current issues on aspects of provincial history and public policy. All papers can be viewed on the library's website at <http://www.llbc.leg.bc.ca/>

## **SOURCES**

All sources cited in the papers are part of the library collection or available on the Internet. The Legislative Library's collection includes an estimated 300,000 print items, including a large number of BC government documents dating from colonial times to the present. The library also downloads current online BC government documents to its catalogue.

## **DISCLAIMER**

The views expressed in this paper do not necessarily represent the views of the Legislative Library or the Legislative Assembly of British Columbia. While great care is taken to ensure these papers are accurate and balanced, the Legislative Library is not responsible for errors or omissions. Papers are written using information publicly available at the time of production and the Library cannot take responsibility for the absolute accuracy of those sources.
