

The Vancouver 2010 Sustainability Journey – Video Storyboard

Sustainability?

- We meet our guide who asks: What is sustainability?
- He turns, ready to discover many examples of sustainability in action, and begins *The Vancouver 2010 Sustainability Journey*

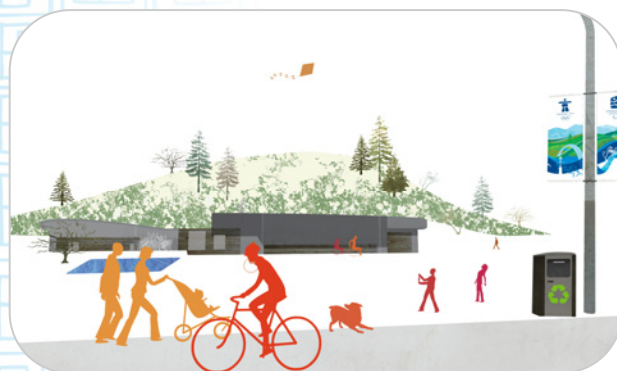

Richmond Olympic Oval (Speed Skating Venue)

- Pine-beetle wood roof
- Vancouver 2010 Venues' Aboriginal Art program
- Rain water capture and reuse
- Legacy community centre

Social Inclusion: Purchasing, Training, Job Creation and Accessibility

- RONA Vancouver 2010 Fabrication shop
- Construction Orientation to Retain Employment Program (CORE)
- Victory bouquets contracted to a social enterprise partnership
- VANOC's Buy Smart Program
- Paralympic Planning

Vancouver Olympic and Paralympic Centre (Curling and Wheelchair Curling Venue)

- Waste heat capture and reuse
- Legacy community centre, ice rinks and swimming pool
- Accessibility for persons with a disability
