British Columbia Government Publications Monthly Checklist

INTRODUCTION

The British Columbia Government Publications Monthly Checklist includes selected British Columbia government publications processed by the Legislative Library each month for its own collection.

The Legislative Library compiles this Checklist as a service to individuals and institutions. The Library does not distribute publications.

HOW TO ACCESS CHECKLIST PUBLICATIONS

1. Many of the publications can be viewed for free online through our Library catalogue. Clicking on the title link in the Checklist entry will open the library's online catalogue record, where there is an option to view the full bibliographic record. Links starting with <http://www.llbc.bc.ca/> go to the full-text downloaded version permanently retained by the Legislative Library.

For further assistance please contact the Legislative Library via email (llbc.ref@leg.bc.ca) or phone (250.387.6510).

2. To obtain priced publications, contact the supplier listed in the Checklist.

Crown Publications, Queen's Printer for British Columbia website at: <https://www.crownpub.bc.ca/> is the central repository for the BC Government. For items not listed in their online catalogue, customer service representatives will supply the appropriate contact information for all BC Government and BC Government-sponsored publications. Telephone: 250.387.6409 (Victoria); Fax: 250.387.1120. Toll Free: 1.800.663.6105. Email: crownpub@gov.bc.ca.

Note: Vendor mailing addresses prices and URLs are current as of the Checklist issue's publication date. Back issues may contain out-of-date information.

3. Batch files of Legislative Library catalogue records listed in the Checklist may be downloaded from the LLBC Batch Records Download Site or the British Columbia Electronic Library Network.

HOW THE CHECKLIST IS ARRANGED

The Checklist is arranged alphabetically by the name of the issuing agency, then alphabetically by author, or title.

HOW THE PUBLICATIONS ARE CATALOGUED

The cataloguing information in the database has been tailored to suit the needs of the Legislative Library; the Anglo-American Cataloguing Rules, Second Edition, are used as a guide but are not strictly adhered to. Only a portion of the complete cataloguing record is displayed in the Checklist.
