

Comox Valley Recall Petition

Recall petition number:	RP-CMX-2011-001
Member of the Legislative Assembly who is the subject of the petition:	Don McRae
Member's electoral district:	Comox Valley
Proponent's opinion of why the recall of the Member is warranted:	<p>I am proposing the recall of the Comox Valley Member of the Legislative Assembly, Don McRae, because he continues to support the Harmonized Sales Tax and does not represent the clear wishes of his constituents.</p> <p>During the last election campaign, the Premier and Finance Minister stated that the Harmonized Sales Tax was NOT on their agenda. British Columbian voters re-elected them believing in that assurance. Only seventy-two days later, the British Columbia Liberals, with NO public consultation, debate or enabling legislation, implemented this tax through an order in council. The successful campaign to repeal the Harmonized Sales Tax was a clear message to Mr. McRae and the government, collecting twelve thousand fifty-one signatures, or twenty-five point two percent of registered voters in the Comox Valley Riding.</p>

	<p>Don McRae supports an expensive provincial referendum (over thirty million dollars) in September of this year, creating economic uncertainty which is harming many businesses and consumers.</p> <p>Comox Valley voters deserve honesty and accountability from their elected representatives. A successful recall tells this and future governments that they must openly and fairly represent those who elected them.</p>
