Ministry of Transportation and Infrastructure

Phase 2 of Massey Tunnel consultation is underway

VANCOUVER – The second phase of consultations on the George Massey Tunnel Replacement Project is underway and runs through April 2, with a variety of ways for the public to participate.

Phase 2: Exploring the Options, builds on community and stakeholder feedback from Phase 1 and seeks input on potential tunnel replacement scenarios and the criteria to evaluate these scenarios.

The consultation includes online engagement, stakeholder meetings and three open houses in Richmond, Surrey and Delta.

By participating in this process, you can help the Ministry of Transportation and Infrastructure determine the most appropriate solution to address congestion and meet the growing needs of families, commuters, businesses and others that rely on this crossing.

Learn more and have your say by attending any of the three public open houses:

Richmond – Wednesday, March 13

Richmond Oval
6111 River Rd.
Richmond
6 p.m. to 9 p.m.

Surrey – Thursday, March 14

Sullivan Hall
