**NARROWS INLET HYDRO PROJECT**

**ENVIRONMENTAL ASSESSMENT CERTIFICATE # E13-04**

**Whereas:**

- A. The Proponent proposes to construct, operate and decommission the project described in Schedule A to this certificate (the "Project");
- B. On February 5, 2008, a Project Lead of the Environmental Assessment Office (EAO) issued an Order under section 10(1)(c) of the Act stating that an environmental assessment certificate was required for the Project and that the Proponent could not proceed with the Project in the absence of an assessment;
- C. The assessment of the Project was conducted from February 5, 2008 to January 24, 2013, and included consultations with First Nations and the public respecting the Application;
- D. Compliance with this Certificate, including its conditions, will be monitored by the staff of EAO, partner agencies, and others who have been authorized to inspect under the Act;
- E. On December 6, 2013, pursuant to section 17 of the Act the Executive Director referred the Application, the assessment report and his recommendations to the undersigned; and
- F. The undersigned have considered the Application, the assessment report and the recommendations.

## **Environmental Assessment Office**

### **Now Therefore,**

We issue this Environmental Assessment Certificate to the Proponent for the Project as described in Schedule A, subject to the following conditions and the conditions set out in Schedule B.

### **Conditions**

#### Definition:

"Holder" means the Proponent or, if this certificate has been transferred in accordance with section 3, the person to whom the certificate has been transferred in accordance with section 3.

### **Compliance Reporting**

1. The Holder must submit a report to the satisfaction of EAO Compliance and Enforcement staff on the status of compliance with the conditions of this Certificate, and the conditions in Schedule B, at the following times:
  - a) at least 90 days before the start of construction;
  - b) on or before December 31 in each year during which the Project is being constructed or operated; and
  - c) one month after the completion of decommissioning.

EAO may adjust or extend this reporting requirement by providing written notice to the Holder.

2. The Holder must notify EAO Compliance and Enforcement staff, in writing, three months prior to commencing the construction, operations, and decommissioning phases of the Project.
3. The Holder must provide any document or information requested by EAO for the purposes of compliance inspection and verification.
4. Should the primary contact for the Project change, the Holder must notify EAO Compliance and Enforcement staff, in writing, within 30 days and provide the physical address, email address and phone number(s).

### **Transfer of Certificate**

5. (1) Except as provided below, neither this Certificate nor any interest in it may be transferred to any person.
  - (2) This Certificate will be effectively transferred if the proposed Holder acknowledges that, upon transfer, it will be responsible for complying with the conditions of the certificate, and both the proposed Holder and the Holder:
    - a. obtain consent for the transfer from the Executive Director;
    - b. apply under section 19 of the Act for such amendments to this Certificate, if any, as the Executive Director deems necessary to ensure compliance with and enforceability of this Certificate and to otherwise reflect the proposed transfer; and
    - c. confirm by written notice to the Executive Director, within 14 days of the completion of all aspects of the transfer transaction other than this notice, that the transfer has been completed.
  - (3) An interest in this Certificate may be transferred by way of a grant of security to lenders or financiers without consent.

**Environmental Assessment Office**

- (4) A transfer to a trustee in bankruptcy, by a receiver or a trustee in bankruptcy pursuant to a court approved sale or as part of a court approved arrangement under the *Company Creditors Arrangement Act* may occur without consent.
- (5) If this Certificate is transferred without consent, the new and former Holder must notify the Executive Director within 30 days of the transfer and apply within the time specified by the Executive Director for any amendments to this Certificate that the Executive Director deems necessary to ensure compliance with and enforceability of this Certificate and to otherwise reflect the proposed transfer.

**Transfer of Interest in Project**

- 6. (1) Except in connection with the granting of security to Project lenders or financiers, prior to the Holder transferring a significant interest in the Project, the Holder and proposed transferee must:
  - a. obtain consent for the transfer from the Executive Director, and
  - b. apply under section 19 of the Act for such amendments to this Certificate, if any, as the Executive Director deems necessary to ensure compliance with and enforceability of this Certificate and to otherwise reflect the proposed transfer.
- (2) A transfer to a trustee in bankruptcy, by a receiver or a trustee in bankruptcy pursuant to a court approved sale or as part of a court approved arrangement under the *Company Creditors Arrangement Act* may occur without consent.
- (3) If a significant interest in the Project is transferred without consent, the holder must notify the Executive Director within 30 days of the transfer and apply within the time specified by the Executive Director for any amendments to this Certificate that the Executive Director deems necessary to ensure compliance with and enforceability of this Certificate and to otherwise reflect the proposed transfer.

**Duration of Certificate**

- 7. For the purpose of section 18(1) of the Act, the deadline is 5 years from the date set out below.
