

Coroners Recommendations Working Group (CRWG) - A Review of Intimate Partner Violence Deaths 2010-2015 Action Plan - December 19, 2017

The Coroners Recommendations Working Group (CRWG) was formed to provide advice and input to develop options to the Ministry of Children and Family Development's executive in response to recommendations addressed to the Provincial Office of Domestic Violence (PODV) in the 2016 Coroners Death Review Panel. The CRWG was not a decision-making body.

The CRWG had a number of objectives:

- inform and advise the PODV on specific recommendations that resulted from the 2016 Coroner's Death Review Panel, specifically addressed to PODV. This includes preparing options on how to respond to these highlighted recommendations made by the Coroner;
- where work is already underway across B.C. the CRWG will build off of/incorporate existing work;
- review materials including the relevant procedures, policies and legislations necessary in advance of CRWG meetings to contribute to the activities of the CRWG in developing options.

The Coroner's Recommendations Working Group had representatives from the BC Coroners Death Review Panel held in June 2016 and the Community Coordination for Women's Safety Committee (CCWS).

Relevant ministries and other stakeholders were also represented, including the Ministry of Justice, Public Safety and Solicitor General (PSSG), Ministry of Education, Ministry of Health, Ministry of Children and Family Development, community partners, as well as municipal police and RCMP.

The Coroner's Recommendations Working Group also drew on Ad Hoc members, subject matter experts who were brought in as needed.

1.1	<p>Increase awareness and education to improve understanding of IPV and how to respond. By December 2017, the <i>Provincial Office of Domestic Violence (PODV)</i> in partnership with relevant stakeholders will:</p> <p>Enhance provincial IPV messaging campaigns to increase public awareness of IPV risk factors, how to respond and how to access community based services.</p>	<ul style="list-style-type: none"> • <i>MooseHide Campaign</i> enhancements were completed in March of 2017 and the campaign continues. • <i>Be More than a Bystander Campaign</i> enhancements were completed in March of 2017 and the campaign continues, training staff at British Columbia Institute of Technology (BCIT), Simon Fraser University (SFU) and the BC Steelworkers. • <i>#SaySomething Campaign</i> enhancements were completed in July of 2017. B.C.'s 2017 #SaySomething campaign will run from Nov. 24 to Dec. 21 on Facebook and Instagram, as well as mobile media, allowing British Columbians to share campaign videos and speak out on the important issue of sexual and domestic violence. • <i>Erase Bullying Campaign</i> enhancements are to be completed in the near future and the campaign/training continues. • <i>Neighbours Friends and Families Campaign</i>; a train-the-trainer workshop/evaluation for approximately 30 organization leads was conducted in September 2017. Further evaluation and analysis is being conducted to determine if this campaign is appropriate for B.C. • <i>Domestic Violence (DV) in the Workplace Project</i> was developed to revise/enhance the BC Public Service DV in the Workplace Policy including DV Awareness month which was held in October 2017. In addition the Provincial Office of Domestic Violence (PODV) and the Public Service Agency (PSA) developed a sticker campaign as part of raising awareness of DV in the public service. 4,500 removable adhesive stickers were distributed to government offices across B.C. in December 2017. • <i>Community Champions Tool Kit</i> is implemented and ongoing; it is an evidence-based accessible toolkit to help citizens recognize and safely respond to domestic violence. 	<ul style="list-style-type: none"> • <i>The Believe Project</i>. BC Society of Transition Houses' (BCSTH) Prevention, Education, Advocacy, Counselling, and Empowerment (PEACE) programs are enhancing the Violence is Preventable (VIP) program to respond to current experiences of intimate partner sexual violence happening to youth in BC classrooms in grades 6-8. Through the Believe Project funded by a Public Safety & Solicitor General (PSSG) Civil Forfeiture Office (CFO) grant (Fiscal Year (FY) 2017/18) BCSTH partnered with a working and advisory group of PEACE counsellors and subject matter experts to develop a curriculum and presentation which will include resources, tools, sample outreach and evaluation materials, and videos that will respond to sexual violence in schools. BCSTH partnered with 26 PEACE programs to be pilot sites across B.C. to deliver this new sexual violence presentation in B.C. schools in their community. As a legacy component of this grant, the BELIEVE Project training webinar will be posted on the BCSTH PEACE YouTube Channel for future PEACE counsellors to access and all the resources will be added to the BCSTH PEACE Practice Toolkit. • <i>Be More Than A Bystander</i> trainers will train 20 United Steelworker spokespeople and create a steelworker specific program for delivery to hundreds of resource industry sites across B.C. through health and safety meetings. FREDA stands for Feminist Research Education Development Action. This project is focused on understanding the barriers to accessing safe and affordable shelter for IRW leaving violent relationships. It produced a promising practices guide, policy recommendations, and a multi-language outreach and public awareness campaign, “<i>You are not alone</i>”, informing IRW about free support and shelter available at transition houses for women and children responding to violence. This project is funded by the Vancouver Foundation and a CFO Grant distributed by PSSG. <li data-bbox="658 756 1467 1252">• <i>Violence is Preventable (VIP)</i> The VIP program is a comprehensive provincial strategy linking B.C. schools with the PEACE Program for Children and Youth Experiencing Violence (formerly the Children Who Witness Abuse Program). Since 2004, 90 PEACE Programs have partnered with educators in grades K – 12 in schools in their community to increase awareness about domestic violence and the impact domestic violence has on children and youth. The VIP program provides presentations in school that increase the awareness of violence against women and the companion PEACE program provides supporting psychoeducational counselling if the presentations result in disclosure of violence. During the 2015/16 school year, 31 PEACE programs delivered VIP presentations in 82 Schools and gave a total of 612 presentations to 424 educators and 6416 students across the province. <li data-bbox="658 1292 1459 1446">• <i>How I Need to Know: Helping People with Disabilities who are Victims of Crime Through the Justice System Process.</i> The project aims to increase access to victim and justice system services and resources for people with disabilities, who are victims of crimes, increase understanding of community-based
