Average fueling costs for popular Lower Mainland and Fraser Valley round-trip commutes

Richmond to Vancouver (34 km)

Coquitlam to Vancouver (62 km)

Surrey to Vancouver (80 km)

Abbotsford to Vancouver (142 km)

Chilliwack to Vancouver (204 km)

Squamish to Vancouver (126 km)

* Graphs compare the cost of commuting in a 2018 Nissan Leaf with the cost of commuting in a 2018 model of the three most popular gas-powered vehicles sold in their categories in Canada. Calculations are based on the average price of gas in each area on May 15, 2019 as shown on GasBuddy.com. Fuel economy numbers for gas-powered vehicles are from NRCAN's 2018 Fuel Consumption Guide.
