
BACKGROUND

BC Air Access Program 2020-21 grant recipients

The following air facilities have been awarded funding for the 2020-21 year.

Airports and projects

Northern B.C. – \$3.6 million

- **Atlin Airport – \$445,460**
 - Update and retrofit airfield lighting and modernize fuel system
- **Kitimat Air Park – \$822,913**
 - Runway and taxiway improvements
- **Mackenzie Airport – \$127,500**
 - Well construction for airport fire suppression system
- **McBride (Charlie Leake) Airport – \$401,687**
 - Access road culvert replacement
- **Northern Rockies Airport (at Fort Nelson) – \$163,726**
 - Electric-metered fuel system upgrade for avgas and jet fuel
- **Prince George Airport – \$299,250**
 - Replacement of 30-plus-year-old back-up generator
- **Prince George Airport – \$196,500**
 - Mandatory instruction signage (runway hold signs)
- **Tumbler Ridge Airport – \$326,250**
 - Replacement of airport lighting
- **Vanderhoof Airport – \$490,083**
 - Apron and taxiways rehabilitation

Kootenays – \$618,835

- **Fairmont Hot Springs Airport – \$19,415**
 - Runway and end identifier lighting
- **Nelson (Norman Stibbs) Airport – \$159,420**
 - Repair of existing pavement and fencing, and installation of gate
- **Trail Regional Airport – \$65,000**
 - Automated weather observation system
- **West Kootenay Regional Airport – \$375,000**
 - Airfield lighting improvements

Thompson Okanagan and Cariboo Chilcotin – \$1.2 million

- **Anahim Lake Airport – \$22,500**
 - Removal and replacement of perimeter fencing
- **Lillooet Airport – \$132,750**
 - Fuel tank replacement
- **Oliver Airport – \$56,100**
 - Runway extension
- **Princeton Regional Airport – \$181,658**
 - Airside lighting
- **Quesnel Regional Airport – \$336,487**
 - Helipad replacement
- **Valemount Airport – \$26,719**
 - Automated weather observation system
- **Williams Lake Regional Airport – \$393,000**
 - HVAC replacement and terminal envelope upgrades

South Coast – \$3.4 million

- **Bella Bella Airport – \$315,000**
 - Airport lighting
- **Bella Coola Airport – \$563,288**
 - Upgrade to fuel system
- **Boundary Bay Airport – \$580,027**
 - Airport 1 rehabilitation
- **Sechelt Airport – \$1,348,108**
 - Resurfacing and extending the runway, apron and taxiway
- **Squamish Municipal Airport – \$601,615**
 - Runway rehabilitation

Fraser Valley – \$438,075

- **Abbotsford International Airport – \$438,075**
 - Airside paving and electrical (green) initiatives

Vancouver Island – \$590,471

- **Courtenay Airpark – \$159,446**
 - Asphalt repairs on runway, ramp and float plane ramp
- **Long Beach Airport (Tofino) – \$431,025**
 - Fire protection improvement project
