Special Reports

Provincial Health Officer reports on specific health topics that may interest British Columbians or require changes in legislation in accordance with the *Health Act*.

[Child and Youth Health and Well-Being Indicators Project: CIHI and B.C. PHO Joint Summary Report February 2013](#)

(PDF 871K)

This report presents the recommended suite of core indicators for an upcoming PHO report on the health and well-being of children and youth, and summarizes the activities undertaken to identify and select them.
