3. Notification	Notify in writing Tsleil-Waututh Nation about an upcoming decision and provide overview information. Would be an opportunity for comment.	British Columbia provides Tsleil-Waututh Nation base level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up.
4. Expedited Consultation Process	Where there is an imminent threat to a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken.	Intense but short timeline (about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting.
5. Normal Consultation	Follow on “normal” track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify Tsleil-Waututh Nation of the final decision where requested by the Tsleil-Waututh Nation.
6. Deep Consultation	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant Aboriginal Interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the Tsleil-Waututh Nation with the final decision and rational in writing.

- 1.11 The Parties may agree to increase or decrease the consultation level for a specific proposed Administrative and/or Operational Decision or Operational Plan where detailed Aboriginal Interest information is provided that indicates a different consultation level is appropriate.
- 1.12 Unless requested by the Tsleil-Waututh Nation, the Province is not obligated to inform the Tsleil-Waututh Nation of the Delegated Decision Maker’s decision where the consultation level in respect of the proposed decision was level three (3) or lower.

APPENDIX C

Revenue Sharing Contribution Methodology

Traditional Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared of the Sea-to-Sky Natural Resource and the Chilliwack Natural Resource Districts forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for the Sea-to-Sky, Chilliwack and the Sunshine Coast Natural Resource Districts.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Tsleil-Waututh Nation's Forest License (if applicable) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Tsleil-Waututh Nation's Traditional Territory will be calculated by determining the percent of Tsleil-Waututh Nation's Traditional Territory that falls within the Timber Harvesting Land Base in the Sea-to-Sky, Chilliwack and the Sunshine Coast Natural Resource Districts, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to the Tsleil-Waututh Nation as described in section 1.2 of this Appendix.
- 1.4 If Tsleil-Waututh Nation is not receiving capacity funding for forestry consultation through a SEA or RA, then it will receive \$35,000 or the amount calculated in accordance with section 1.3, whichever is greater, which may be used by Tsleil-Waututh Nation as capacity funding to participate in the consultation process in accordance with section 6.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared of Tsleil-Waututh Nation's Forest Licenses: **A81783** and **A94939** (pending issuance) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year from Eligible Volume within the Forest Licence (if applicable).

- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.
- 2.2 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.0 The Parties agree that a transition to revenue sharing based entirely on Forest Revenue will be phased in over the Term.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by adding the total of the Traditional Territory Forest Revenue Sharing Component to the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year.
 - 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Tsleil-Waututh Nation in any given full year under the *Tsleil-Waututh Nation Interim Forestry Agreement* (“the Annual Amount”) and applying the following percentages to that Annual Amount:
 - 3.2.1 2019/20 BC Fiscal Year: 40 percent;
 - 3.2.2 2020/21 BC Fiscal Year: 40 percent;
 - 3.2.3 2021/22 BC Fiscal Year: TBD percent; and
 - 3.2.4 2022/23 BC Fiscal Year: TBD percent.
- 3.3 Notwithstanding section 3.2 of this Appendix, if the Revenue Sharing Transition Calculation for BC Fiscal years 2020/21, 2021/22 and 2022/23 under section 3.1 provides:
 - (a) an amount calculated under sections 1.3 and 2.1 of this Appendix that is equal to or greater than the annual payments received under the *Tsleil-Waututh Nation Interim Forestry Agreement*, then Tsleil-Waututh Nation will receive the annual payments described by the Revenue Sharing Transition Calculation in section 3.1 for BC Fiscal Years 2020/21, 2021/22 and 2022/23; and
 - (b) an amount calculated under the Revenue Sharing Transition Calculations in sections 3.1 and 3.2 of this Appendix that is greater than the annual payments received under the *Tsleil-Waututh Nation Interim Forestry Agreement*, then Tsleil-Waututh Nation will receive an annual payment for BC fiscal Years 2020/21, 2021/22 and 2022/23 that is equal to the annual payment received under the *Tsleil-Waututh Nation Interim Forestry Agreement*.
