INTRODUCTION

After the 2017 provincial general election, the British Columbia Liberal Party won a plurality of seats, and reconvened the Legislature on June 22, 2017, but was defeated on a confidence motion on June 29, 2017. Following this outcome, John Horgan was invited by the Lieutenant Governor to form government. Horgan was sworn in as Premier on July 18, 2017. The next general election was held on October 24, 2020 and the BC NDP formed a majority government.

This document contains an alphabetical list of all Members posted to cabinet and minister for state positions. It also includes a list of postings organized by portfolio name.

The choice of dates for the commencement and termination of a position is not straightforward because an appointment or resignation may be announced on one date and confirmed officially on a different date. Generally the "official" date has been preferred in this document. If, however, there was no Order in Council (OIC) or other official notice specifically naming the minister involved, the announcement date has been used. The list does not including acting positions or parliamentary secretaries.

For the purposes of this document, the final date of service for cabinet ministers in the Clark administration is July 18, 2017. The OIC rescinding the appointment of Clark's cabinet ministers was issued on that day, with the announcement of the new Horgan cabinet.
